

DAILY EVENING BULLETIN.

TUESDAY EVE., MARCH 27, 1883.

ROSSER & MCCARTHY,

PUBLISHERS AND PROPRIETORS.

Unto our friends, the Washingtons,
We herein give a hint,
About a thing which broadly said
Will not look well in print.
Those seats, you know, are very hard;
Just here our language falls;
Give us something softer, please;
Have mercy on our souls.

Isn't it time the bridge sidewalk was repaired?

A new and neater head will grace the DAILY BULLETIN to-morrow.

Messrs. J. H. Hall & Co., shipped a large lot of plows yesterday.

The DAILY BULLETIN will be mailed to any address, postage paid, for \$3 a year.

Mr. W. W. Ball's two double houses on Third street, East Maysville are about completed.

The Alice Oates Opera Company will appear at the Opera House on Thursday, April 5th.

There will be prayer meeting at the Christian Church, Thursday evening at the usual hour.

We have had the pleasure of adding many names to the subscription list of the DAILY BULLETIN since yesterday.

The attraction just now are the cheap tables at A. R. Glascock & Co's. Many real bargains have been obtained by the visitors.

The Mite Society of the Christian Church will meet to-morrow evening at the residence of Mrs. Emile Martin, on Limestone street.

A few of the new nickels have reached Maysville and command a premium. The sum of one dollar was offered and refused for four of them.

You might as well shut up about the primary election and go to work to get some votes for the candidate. Growing time has about expired.

The last exercises of the public school at Aberdeen will take place at the school building next Friday evening. Everybody is invited to be present.

ALL persons who have property mortgaged to the Building Association will be required to exhibit their tax receipts for the past year at the meeting on the first Saturday in April.

MAYSVILLE guests at the Crawford House, Cincinnati, last Sunday, speak in highly complimentary terms of the Easter bill of fare that day. They will certainly go back there again.

The congregation of the Southern Presbyterian Church will hold their regular services at the Church next Sunday, April 1st. Preaching by Rev. E. H. Harding, morning and evening.

MR. SAM. J. DAUGHERTY has just put up at the Shannon cemetery a handsome monument over the remains of the late Henry Jefferson and wife. Mr. Jefferson was at one time Sheriff of this county.

THE Bridge street cottages which are nearing completion, are very neat in appearance and will be comfortable homes at a low rent. Such buildings have been in demand and are badly needed in this city.

THE students of the Maysville Literary Institute have recently organized a debating society to be known as the "Polymynian," and elected Wm. Wood president, and Perrine Jenkins secretary and treasurer.

A SOCIAL meeting of the congregation of the First Presbyterian Church will be held to-morrow (Wednesday) evening at the residence of W. B. Mathews, Esq., Fifth Ward. Refreshments will be served at eight o'clock.

THE clerk of the county has a number of volumes of the Acts of the Legislature for 1882 for which the public officers of the county who are entitled to receive them, have failed to call. They ought to go and get them immediately.

NOTWITHSTANDING Second street has just been cleaned, no less than fifty piles of ashes are deposited in the street between each square every morning, in the face of a law prohibiting it. The city is wasting money in trying to keep the streets clean so long as this is allowed.

THE SPRING MEETING.

Arrival of Celebrated Trotters at the Track—The Most Successful Meeting Ever Held in Kentucky Probable.

The spring meeting of the Ohio and Kentucky Trotting Circuit begins at the race course near this city on the 15th day of May, and continues until the 18th including that day. The track, which is admitted by all horsemen to be the best in the State, has been much improved since the last meeting and is now all that could be expected or desired. The stable room is sufficient to meet all requirements, and two large and handsome buildings to be used for the same purpose are now in course of erection and will be finished in time to be used at the May meeting. The purses are liberally distributed and amount in the aggregate to \$6,300. The following stables arrived yesterday:

A. J. FLEMING, BAY CITY, MICH.
Raynard, bay gelding, sire, Louis Napoleon, record 2:40.
Henry Clay, bay stallion; sire, Potter's Henry Clay; dam, 3/4 thoroughbred, no rec. ord.

CHARLES HUGHES, CHEBOYGAN, MICH.
Mattie Harris, black mare, sired by Bashaw; record 2:34 1/2.
William T., bay gelding, no record.

Raynard is a half brother to Jerome Eddy, who has a record of 2:16 1/2 and was sold at Chicago last week to Mr. Jewett, of Buffalo, N. Y., for \$25,000. The prospects are that from fifty to sixty horses will arrive by the first week in April and that the May meeting will be the largest and most successful ever held in the State.

The New Jail.

The work on the new jail which has been delayed by the bad weather during the winter and other unavoidable causes is to be resumed this week under the direction of Mr. J. W. Hinkley. There has been some delay caused by the non arrival of the iron for the main entrance, but Mr. Hinkley has been informed is about ready for shipment and will be forwarded on the 28th inst. The foundations of the structure have been laid and the work raised on a level with the first floor. The floor of the jail proper is made of massive blocks of freestone, that are so put down that each block forms the floor of a cell. The point where the blocks join are covered by the iron frame work of the cell, the whole to be covered by a floor of solid iron. From what we have seen so far we feel very certain that the building will be the most secure ever put up in the State, and so far as we can judge, absolutely impossible, for a criminal to escape from it by means of the tools it would be possible for him to procure.

A very handsome feature of the building will be the front trimmings, which will be made of freestone from the Apperson quarry on Licking River in Rowan county. It is of a very fine gray color and is considered superior to the freestone quarried in the Ohio Valley, and wears equally well if not better. Mr. Hinkley thinks the building will be finished by the first of next September.

Not So.

A correspondent at Washington writes the following to the BULLETIN:

The clerk of the primary election, R. H. Wood, says the official count of the vote for this precinct is a mistake. It should have been 39 instead of 41 for Kehoe. If this be so it is a vote between Kehoe and Gooding.

A representative of the BULLETIN has made a careful examination of the returns from the Washington precinct, and finds the vote to be 41 for Kehoe, 15 for Gooding and 28 for Taylor. In one of the columns the vote was footed up 13 for Kehoe when it should have been 15. This error was corrected by the board of examiners as was their duty. The impression existing at Washington of error in the count of the vote is based on what has been stated above. The actual vote cast was correctly reported by the board.

Free Lecture.

The Hon. J. H. Rathbone, of Washington, D. C., one of the founders of the order of Knights of Pythias, will deliver a lecture to-night at 7 1/2 o'clock at the Court House under the auspices of that order. Subject: "Our Mission." The lecture is to be free and every one, especially the ladies, are cordially invited to be present. The members of Limestone Lodge, No. 36, are requested to meet at their Castle Hall in full uniform promptly at 7 o'clock. Hauck's Reed and Brass Band will furnish music for the occasion.

Sudden Death.

Jacob Rothhaus, of Augusta, on Sunday morning arose and built a fire to prepare breakfast for his family. Shortly after he complained of a pain in his side and lying down died in fifteen minutes. He leaves in indigent circumstances a wife and eight children.

PERSONALS.

Points About People Here and Elsewhere.

Mr. Ed. Myall, who has been very sick, is much better.

Mr. Joseph F. Perrie's little girl, we regret to say, is no better to-day.

Miss Nannie Terrill, of Lawrenceburg, Ind., is visiting Missess Tina and Lucy Bledsoe.

Mr. Samuel Ellis, of Lewis county, who was stricken by paralysis recently, has since died.

Mrs. Sam. M. Hall is visiting the family of her father, Hon. J. M. Nesbitt, at Owingsville.

Mr. D. E. Roberts, of New Richmond is in the city. He was warmly welcomed by his old friends.

Mr. Thomas Y. Payne, formerly of this city, who is now in the United States Navy, has just arrived at Baltimore from a voyage to Spain.

Mr. Charles Wardle and family, of Cincinnati, are in the city. Mr. Wardle, who is a dentist of experience and rare accomplishments, is in Maysville with a view to forming a copartnership with Dr. T. H. N. Smith, whose business has increased to such an extent as to oblige him to have an assistant. Mr. Wardle will be warmly welcomed by the community.

The Adelphian Circle entered upon its fourth quadrant by the election of the following officers last night:

President—L. W. Galbreath,
Vice President—B. F. Thomas,
Secretary—J. W. Fitzgerald,
Sergeant at Arms—John Duley,
Editor Adelphian Oracle—J. L. Chamberlain.

Mrs. Rachael Hughes, after a long and painful illness from consumption, died on Sunday morning in the 52nd year of her age. She was a kind mother, a sincere christian and a good citizen. The remains were interred on Monday in Bethlehem cemetery, near Aberdeen.

MESSRS. A. C. SPHAR & Co., have received an order from a firm of contractors at Cincinnati for 300,000 brick to be delivered at that place within the next ten days. Maysville brick are admitted to be the best sold in that market and invariably command the highest price.

A box containing four large owls was received by Messrs. A. A. Wadsworth and Fred. Otto by the Handy on Monday. They came from Mr. John Armstrong, of Vanceburg, and are considered to be the finest specimens in that county. Messrs. Otto and Wadsworth, we are informed, propose to start an "Owlery" in Maysville.

THERE will be a Sunday school meeting at the Baptist Church on next Sunday afternoon, April 1st, at three o'clock for the purpose of receiving from the pastor Rev. J. K. Pace, a farewell address. The exercises will be interspersed by singing and short speeches. The members of the school and the church are earnestly urged to be present and all friends are cordially invited to attend.

Suits against persons living anywhere in this county may now be brought in the Quarterly Court for any sum not exceeding \$200. Those who have claims against persons residing in distant parts of the county, will thus be saved the trouble and expense of attending a trial before the magistrates of the precinct where the party lives. To bring suits in this way was made lawful by an act of the Legislature approved in February, 1882.

THE parlor at the clerk's office was the scene yesterday of a very pleasant event—the marriage of Miss Katherine Frederick and Mr. Anthony Doerle, both of Dover. The knot was tied by the Rev. M. D. Reynolds, of the M. E. Church, who is very accomplished in this kind of work. Mr. W. W. Ball and Col. J. B. Noyes were the pleased and interested witnesses, and we are not certain that they did not kiss the blooming and happy bride.

Famous Trotter.

A celebrated horse has been entered for the spring races that is going to do some tall trotting. He has never been beaten in any contest, and we may add don't intend to be. His record is superb. The entry taken from the Secretary's books is as follows:

Annual Meeting.

The Stockholders of the Union Agricultural Society of Mason and Bracken counties are requested to meet at the Town Hall, in Germantown, Ky., Saturday, April 7, 1883, at 2 o'clock p. m., this being their regular annual meeting.
J. A. WALTON, Secretary.

THE champion "tad" players at Frankfort are Hon. J. W. Tate and Judge Hargis. Their passion for the game the other day got them into trouble. They were arrested, while down on their hands and knees, for obstructing the sidewalks. Mr. Tate, with his usual good luck, won "tads" enough from Judge Hargis to pay his fine.

Contemplated Improvement.

The Washington Fire Company, we have learned, will some time this season remodel the Opera House and make it a very handsome and convenient building. It is understood that a gallery will be added and other changes made that will be appreciated. Whatever is done is sure to be done handsomely, as the company is never backward in such work.

When a cold or other cause checks the operation of the secretive organs, their natural healthy action should be restored by the use of Ayer's Pills, and inflammatory material thereby removed from the system. Much serious sickness and suffering might be prevented by thus promptly correcting those slight derangements that, otherwise, often develop into settled disease.
